CLUB NOTES

Since the last issue of our Programme, the Club have lost the services of the Chairman, Mr. N. Buck, and a senior Director, Mr. W. Cross. Both these gentlemen decided that the time had come for them to make way for younger men on the Directorate.

In accepting their resignations with the greatest regret, the Board would like to place on record their appreciation of the long and valuable services rendered to Preston North End by these two gentlemen through the varying fortunes of the Club during a period of over thirty years.

Mr. Buck and Mr. Cross have been appointed President and Vice-President respectively and we hope that they will enjoy these appointments for many years to come.

As you are no doubt aware Mr. J. H. Ingham has been appointed Chairman and Mr. A. Harrison Vice-Chairman and we wish them well in the future affairs of the Club.

In March this year Rotherham United made their Deepdale debut in League matters and were defeated 2-0 in a close encounter.

Founded 1884 as Thornhill United, elected to League Division Two in 1893 as Rotherham Town, when the section was extended to 15 clubs, newcomers along with Arsenal, Liverpool and Newcastle United.

In 1896 they fell out of the League, re-instated after World-War One when the Second Division was increased to 22 clubs, and re-named Rotherham County, which in 1925 was again changed to United. Relegated to the Third Division North in 1923 with Wolves, remaining in this company until winning the title in 1951, since when they have been consistent performers in Division Two.

MEET THE OPPOSITION . . . .

IRONSIDE, Roy (*Goalkeeper*—6ft. 2ins.). Roy joined the playing staff at Rotherham as an amateur in 1952, and after two years service with the juniors he was signed as a professional in 1954.

JACKSON, Brian (*Right Full Back*—5ft. 11ins.). Brian was first spotted playing local junior football, and was signed on amateur forms in July, 1954. It was not long however before the management realised that he had the makings of a first class player and some two months later, he was signed on full-time terms.

MORGAN, Lol (*Left Full Back*—5ft. 9ins.). Lol joined Rotherham after having spent several years with Huddersfield Town, whom he joined as a boy on their ground staff. He signed a G.2 form in August, 1954, and it wasn't long before he gained a regular place in the left back position.

LAMBERT, Roy (*Right Half Back*—5ft. 10ins.). Roy is a product of Sheffield Junior Football and came to Rotherham from Thorncliffe Welfare, who were then members of the Sheffield Association League. In May, 1954, he was signed as a full-time professional, and for the past four years he has been an ever-present member of the first team.

MADDEN, Peter (*Centre Half Back*—6ft. 2ins.). Peter was a product of Junior Football in Bradford and joined Rotherham from Thornton Juniors on a part-time basis in October, 1955. After a season in the Midland League, it was obvious that he had all the makings of a first-class centre half, and after a few months he was signed on a full-time basis in 1956. For a while Peter could not land the regular centre half position, due to the consistency of Norman Noble, but once he did gain a foothold in that position, he has made it his own.

WATERHOUSE, Kenneth (*Left Half Back*—5ft. 10ins.). Kenneth, a native of Ormskirk in Lancashire, was transferred from Preston, in May, 1958, having spent the previous twelve years with them as a Centre Forward. For a while he played in that capacity at Millmoor, but it was realised that the half back position was more his vocation.

WESTON, Don (*Outside Right*—5ft. 8ins.). Don was bought from Birmingham City in December, 1960, for a fee of £10,000 as a Centre Forward. Most of the time he has played in either of the inside positions and has featured regularly on the score sheet. Don, although of small physique, is endowed with amazing stamina and a wonderful burst of speed.

KIRKMAN, Alan (*Inside Right*—5ft. 10ins.). Alan was transferred from Manchester City in February, 1959, to help the scoring potential of the first team, and this he did admirably and played a principal part in averting the big drop into the Third Division that Season. Since then he has occupied most of the forward positions and has acquitted himself well.

BENNETT, Albert (*Centre Forward*—5ft. 11ins.). Albert was born in Durham and was discovered playing as an amateur with Chester Moor Juniors and it was on his record of having scored in the region of 130 goals that he was signed as an amateur in May, 1961. He then became a part-time professional in October, 1961, and subsequently signed as a full-time player in February, 1962. From his brief appearances in the first eleven it is obvious that he will be staking a regular claim for the first team.

HOUGHTON, Kenneth (*Inside Left*—5ft. 10ins.). Ken started his football career with a local colliery team and was spotted by one of their Scouts, who introduced him to their amateur staff in March last year. His potential manifested itself immediately and he was signed as a full-time professional three months later. He has exceptional ball control and last season saw him occupying the leading scoring position.

TAYLOR, Brian (*Outside Left*—5ft. 8ins.). Brian was born in Walsall. He started his playing career with Walsall F.C. and was transferred to Birmingham in 1958. Three years later he joined the Club's ranks as an outside left and has been the regular first team choice since his signing.
